I-25 Arapahoe Interchange Reconstruction

Full Weekend Closure - Arapahoe Road

Nov. 18-21

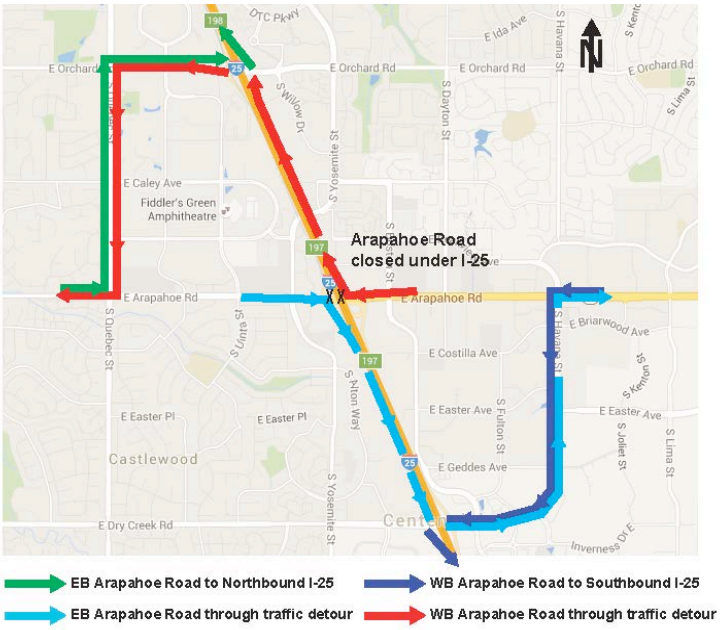
Construction of the new I-25 bridge crossing Arapahoe Road is well ahead of schedule. As part of the final bridge demolition phase, Arapahoe Road will be closed in both directions beneath I-25 the weekend of Nov. 18. To expedite work and maintain public safety while minimizing long-term impacts to Arapahoe Road drivers, the closure will be in effect from 10 p.m., Friday, Nov. 18 through 5 a.m., Monday, Nov. 21. Lane restrictions on westbound and eastbound Arapahoe Road between Dayton Street and Greenwood Village Boulevard will begin at 8 p.m., Friday night.

Motorists can also expect lane restrictions on southbound I-25 between Dry Creek and Orchard roads from 8 p.m. Friday to 9 a.m. Saturday, 8 p.m. Saturday to 9 a.m. Sunday, as well as 8 p.m. Sunday to 5 a.m. Monday.

Doing multiple work activities under a single weekend closure will save approximately seven nights of overnight closures. Keep in mind that all work is weather dependent and subject to change. Also, this operation may cause noise disturbances.

Traffic Detour

- The eastbound Arapahoe Road on-ramp to southbound I-25 and the westbound Arapahoe Road on-ramp to northbound I-25 will remain open
- Northbound and southbound I-25 off-ramps will remain open; but only right turns will be permitted
- Please drive slow, avoid distractions, and watch for signage to guide you through the construction area; alternate routes advised



I-25 Arapahoe Interchange Reconstruction

Pedestrian Detour

- Pedestrians will be detoured via the pedestrian bridge at the Arapahoe light rail station
- For your safety, please watch for signage/flaggers to direct you; do NOT walk through the construction site at any time
