

PEE WEE ART

It is never too early to introduce your child to the arts

Pee Wee Art is a fun hands-on art program that introduces preschoolers to the arts and allows for parent's to assist with their child's creative process.

At each program your little artist will be introduced to a new art medium (drawing, painting, sculpture and more) that they will use to create their own work of art.

Mondays, 4:00 to 5:00 p.m.
