From Dragon Ball to Full Metal Alchemist, Manga (Japanese comics and cartoons) is one of the most popular art forms in the world today. In this 8-week workshop, you'll learn about the history of Manga, how it differs from American comics, and have the chance to bring your very own Manga comics to life. Sessions will include hands-on instruction on how to create Manga characters, settings, stories, and so much more!

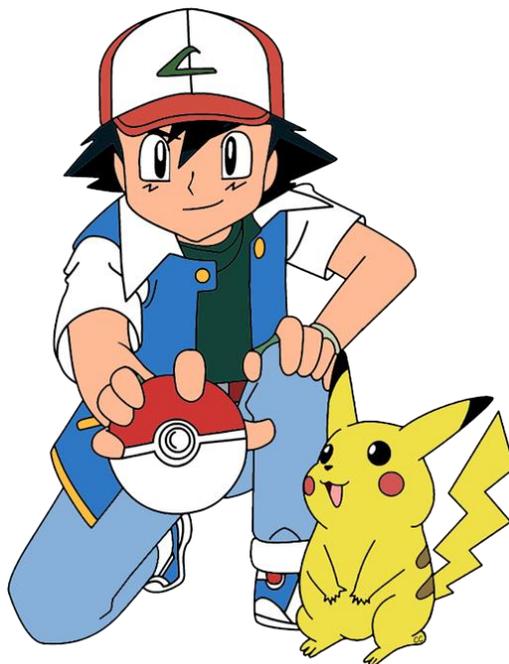

Fridays, April 7 through May 26
