

For Immediate Release

The Greenwood Village Police Department, along with the Cherry Creek School District and South Metro Fire Rescue observed school walk outs demonstrated by students within Greenwood Village. The Cherry Creek School District utilized their Emergency Operations Center where district administrators, law enforcement and fire rescue could evaluate the demonstrations and report to personnel located at each school site. Each school maintained peaceful demonstrations and students returned to class after the 17-minute silence observing the incident in Florida. There were no injuries reported.
