## STUDY SESSION

*Study Sessions are set aside for Council to have discussions and gather information and study issues more in depth before taking any actions at a Regular Meeting. Residents are invited to hear the discussions in-person or listen online via the [Village's live online audio-stream](#), but are not allowed to participate in Study Session. Recent discussions include:*

### Fiber to the Premise Goals

A City Council committee has been working with a consultant, Uptown Services, to receive clarity on the role municipalities play in providing high speed internet services to their communities.

The City Council discussed the draft purpose and goals for the proposed fiber to the premise project in Greenwood Village. The City Council directed staff, in collaboration with the consultant, to complete a feasibility study and financial analysis to build a fiber network to each property in the Village.

The study will be completed this summer for City Council 2023 budget discussions.

## UPCOMING COUNCIL TOPICS

### 2nd Quarter 2022

- *Cultural Arts Plan Implementation Update*
- *Adoption of the 1st Amended Budget for 2022*

*Official agendas are published the Wednesday prior to the Monday Council meeting. They can be found online at [greenwoodvillage.com/agendas](https://greenwoodvillage.com/agendas)*

## **Discussion Regarding Crime**

Chief of Police Varney discussed the issue of crime in Greenwood Village, the Denver metro area, and the State. He reported the Police Department has successfully reduced crime and traffic issues by at least 2.0% in four categories the Police Department tracks. He talked about areas where there have been significant increases and noted they were generally being seen in the commercial areas and in the I-25 corridor and not so much in the residential areas.

The reduction in crime and traffic concerns have been accomplished by the Police Department using the concepts Data-Driven Approach to Crime and Traffic Solutions (DDACTS) and conducting Directed Resource Patrols (DRPs), also known as Hot Spot Allocation Policing. This includes proactive patrol efforts in areas that have the highest reported crime and traffic offenses. Chief Varney believes the combined use of DRPs, technology such as Village cameras, automated license plate reader system, and strategically allocating resources with staff has led to a reduction in some crimes.

In addition to the above approaches, Chief Varney recommended changes to the Village Municipal Code to allow crimes recently reclassified as misdemeanors by the State Legislature last year, to be written into Municipal Court.

City Council directed the municipal attorney to bring forth an ordinance to amend the Greenwood Village Municipal Code to allow the municipal option to prosecute crimes involving drug offenses, motor vehicle thefts, thefts, arson, and criminal trespass.

**The next City Council meeting is  
May 2, 2022**

**Study Session: 6:30 pm**

**Regular Meeting: 7 pm**
