

For Immediate Release

On June 6, 2022, at approximately 12:18 PM, a resident reported to the Greenwood Village Police Department that an unknown white male subject was attempting to steal a neighbor's vehicle parked near E. Stanford Avenue and S. Alton Street. The suspect fled on foot through several residential yards as police officers arrived, discarding property as he ran, ultimately hiding in a backyard several streets away. A reverse 9-1-1 notification and social media notification was sent to nearby residents, businesses, and schools, asking people to temporarily shelter in place.

GVPD officers located and arrested the suspect without incident approximately 45 minutes after the initial call and booked him into the Arapahoe County Sheriff's Detention facility on pending felony charges and several outstanding arrest warrants from neighboring agencies. An 'all clear' reverse 9-1-1- and social media notification was sent shortly after the suspect was arrested.

Please call the Greenwood Village Police Department if you have further information regarding this incident. This is an active investigation no additional information presently available for release.
