

# For Immediate Release

On June 14, 2022, at approximately 1:25 PM, the Greenwood Village Police Department responded to an auto / pedestrian accident in the retail parking lot located at 6835 S Dayton Street. The preliminary investigation indicates that a vehicle entering a parking space struck a pedestrian who was standing outside of a second vehicle that was parked in an adjacent parking space.

After striking the pedestrian, the first vehicle hit a retail building, causing minor damage. The injured pedestrian was transported to a local hospital with unspecified injuries.

The driver of the initial vehicle remained on scene and is cooperating with investigators. This is an active investigation with no additional information presently available for release.
