On Tuesday, August 30, 2022, at approximately 3:57 p.m., Greenwood Village Police Officers were in the area of E. Chenango and S. Beeler Street conducting traffic enforcement as Campus Middle School and Cherry Creek High School were in the process of dismissal for the day. Officers observed a vehicle traveling at a high rate of speed on E. Chenango Ave as students were walking toward the crosswalk. As officers headed toward the vehicle, they observed the vehicle lose control and crash into a house. It was determined there were no injuries. Multiple suspects emerged from the crashed vehicle and ran on foot toward the Cherry Creek school campus. As Campus Middle School was in active dismissal, Officers placed Campus Middle School, Belleview Elementary School and Cherry Creek High School on Secure Perimeter. As police pursued the suspects towards school grounds, Campus Middle School was placed on Lockdown. Responding officers were able to quickly apprehend all suspects outside the school buildings. Once police confirmed all suspects were accounted for, police contacted Cherry Creek School District Safety and Security so they could release students. No suspect information is available currently as this is an active investigation.
